Berkshire Hathaway HomeServices Automated Listing Program powered by CHALK. The program combines the network's existing marketing platform with CHALK's innovative technology to automate digital branding and listing ads.

Here's how it works:

- New listings will automatically receive a listing ad campaign approximately 24 hours after CHALK receives the data feed from Berkshire Hathaway HomeServices.
- Ads will be shown to potential homebuyers within a 15-mile radius of the listing on social media, premium websites and mobile devices.
- Potential buyers and sellers who visit a network agent's webpage on www.berkshirehathawayhs.com will be automatically retargeted with an ad that appears on the social media platforms and premium websites subsequently visited by the potential client.
- The retargeted ads are executed automatically, ensuring all network agents receive retargeting from their personal landing pages, if the agent's personal landing page is not available the consumer will be directed to the listing's landing page.
- Consumers who click on listing ads will be sent to the listing detail page on www.berkshirehathawayhs.com branded with the listing agent's information and customized with property photos and listing details.

American Home Shield

Valuable Protection for Sellers

There's a lot to think about when selling your home. Including a home warranty is one of those important considerations. When you include an American Home Shield home warranty in the sale of your home, you can add the Seller Coverage Option* to help protect your biggest investment while it's on the market and give your buyer the peace of mind that comes from American Home Shield®.

This additional coverage can:

- Give you one less thing to worry about so you can keep the focus on your next home and upcoming move.
- Protect your budget from costly, unexpected, covered repairs during the listing period.
- Reduce issues related to the home inspection and keep the sale on track.

For more information about an American Home Shield home warranty, visit www.ahs.com/realestate.

Limitations and exclusions apply. See agreement for details.

*Subject to a \$2,000 cap for all trades during the listing period.

The Complete Real Estate Experience

Buying a home involves more than finding the right property.

Behind every purchase is a team: Your agent, lender, title company, and insurance provider — all working toward one closing date.

OnePoint brings those pieces together into a more coordinated experience.

1. Find the right home
2. Get the right financing
3. Close on time

What that means for you

Clear Accountability

Everyone understands their role and how it connects to the bigger picture. Questions get answered faster. Issues don't get passed around.

Better Communication

When services are aligned from the start, it reduces disconnects that can delay or complicate closing.

A More Predictable Process

Stronger coordination helps minimize last-minute surprises and unnecessary stress.

Is OnePoint right for you?

Some buyers value tighter coordination and convenience. Others prefer assembling their own team. There's no single right answer, only what fits your priorities.

An agent can walk through details before you move forward.
